ALL DIMENSIONS NOMINAL : Any discrepancies or Deviations from the above design may impair the safety of the structure. All alterations should be checked out by our Technical Department. For any amendments or queries please contact Mr.			

This drawing has been prepared from details supplied to us by the Customer, who should confirm that we have correctly interpreted that all requirements have been fully satisfied. The Customer must ensure that the intended mechanical handling equipment will correctly operate within this storage system. The Customer must also ensure that all other associated trades not contracted by Link 51, such as labels, lighting, sprinkler systems, etc. are fully compatible with this storage system.
